Committees are made up of the membership and each committee chair will be asked to set goals at the beginning of the year and establish an annual time line or punch list. In addition they will submit an annual report to the board by May 15. When their term is expired they are to find a replacement with the assistance of the LSA Executive Committee.

The primary **focus of the Board** is financial stability, legal direction, and strategic planning. The **Executive Committee**, made up of the officers and the skating director will manage executive oversight of on going activities plus legal, financial, and personnel responsibilities. The executive committee as overseers of all LSA committees and activities will meet and prepare proposals for the board to address as needed.
